College Photography – PC, Individual, Co-Curricular & Siblings

Dear Parents / Caregivers,

Each year the College arranges professional photographers to take individual, class, sibling and co-curricular photographs which are then made available to families for purchase. This also provides the College with an opportunity to document College history by including the photographs in the College Annual and other records. Weather permitting, all photographs will be taken on the front lawns of Rostrevor House.

College photos for 2026 will be conducted on the following dates:

Tuesday 21 July	Junior School Individual, Class & Co-Curricular
Tuesday 21 July	ALL Sibling Photos
Thursday 23 July	Senior School Individual, Class, Specialty & Co-Curricular
Friday 4 September	Senior School First / Tournament Teams & Catch-Up Photos

Students will be expected to wear their full winter uniforms for all photographs, including sports teams.

Details regarding uniform for First & Tournament team photographs on Friday 4 September will be communicated at a later date.

All students must be:

- Correctly, neatly and fully dressed in their full College winter uniform; and
- Groomed as per College expectations

Students who are not correctly attired or groomed will not be permitted to have their photo taken.

For details on ordering photographs, please refer to the next page below. Please contact the Development Office (development@rostrevor.sa.edu.au) if you have any queries.
